**MAY 23<sup>RD</sup>, 2025**

Dear Friends,

Welcome to Phoenix for the 38th Annual Arizona Hockey Classic!

We are thrilled to host you once again for an exciting weekend of hockey, camaraderie, and competition. Whether this is your first time joining us or your 38th, we're grateful to have you here.

We'd like to extend our sincere appreciation to the incredible staff at our host arenas: **Jen Mangino & Matt Mendelsohn** from the Ice Den rinks, and **Bob Platt** from AZ Ice Gilbert. This tournament wouldn't be possible without their partnership and support.

A heartfelt thank you goes to all of our game officials and scorekeepers. We'd especially like to recognize:

- **Michel Voyer**, Referee-in-Chief
- **Brett Martin & Greg McAlpine**, Referee Supervisors
- **Tina Karras**, Scorekeeper Supervisor

We are also deeply grateful to those working tirelessly behind the scenes:

**Morgan Gaines**, Assistant Tournament Director, along with Tournament Supervisors **Ted Cabral & Rick Florian**, whose dedication makes this event run seamlessly from start to finish.

To our hardworking tournament staff—**Sal Rivela, Joel Seelig, Tyler Gaines, Alan Matus, Taryn Salum, Angie Salum, Anna Grimm, Jake Lastra, Jonna Arell, Robert Arell, Neysa Becaria, Kim Rivela, & Annette Flick**—thank you for your commitment to making everything

Finally, thank you to all the team captains for your organization, communication, and leadership. Your efforts make it possible for your teams to hit the ice and enjoy a great weekend.

We wish you the best of luck in the tournament. Play hard, have fun, and most importantly—enjoy your time here in Phoenix.

We look forward to welcoming you back next year!

IN LOVING MEMORY OF

*Jojo Bowling*

TOURNAMENT STAFF | CHERISHED FRIEND

This year, we remember and honour Jojo Bowling, a beloved member of our tournament staff and a dear friend to so many of us.

Her warmth, kindness, and vibrant spirit left a lasting impact. Whether she was presenting trophies after the championship games with a bow or sharing a laugh at the check-in table, she brought heart to every moment. Her presence was comforting, her smile disarming, and her ability to strike up a conversation with anyone made her instantly unforgettable.

To know Jojo was to know genuine kindness and connection. Her absence is deeply felt, but her memory continues to brighten our hearts.

We miss you, Jojo. Thank you for everything.

## NO PETS

We love pets too, but they are not permitted in the Ice Dens. The rinks and amenities comply with state and local health regulations in addition to all federal ADA regulations. Trained service animals are welcome. A "service animal" means any animal trained to do work or perform tasks for the benefit of an individual with a disability. Pets providing emotional support, wellbeing, comfort or companionship are not recognized as service animals under ADA regulations. Misrepresenting a dog as a service animal is a criminal violation and will result in being trespassed from the buildings.

## DAMAGE TO PROPERTY

In recent seasons there has been an unfortunate increase in incidents of unnecessary and intentional damage to the facilities. Damage caused by unacceptable behavior, including but not limited to; shooting pucks off-ice/outside and throwing rocks at building exterior, climbing on pads, breaking equipment, vandalizing locker rooms or any areas within the facility, its amenities, and surrounding properties, will be investigated and invoiced to the responsible individuals. Any players/teams/spectators that cause intentional damage to the facility will be suspended from competing at either Ice Den indefinitely.

## ICE ACCESS

Only registered players, certified coaches, on-ice officials, trained medical personnel and Ice Den staff are permitted on the ice/benches during the designated ice slot. Spectators are not permitted on the ice at any time. Teams are not permitted to access the ice until the resurface is complete, the Zamboni has exited the ice and the Zamboni doors are closed. Exterior/perimeter player bench access doors must be closed at all times during the game.

## SPECTATORS

Please note, the average temperature inside the rink is 56 degrees. The Ice Den encourages participants and spectators to dress accordingly for warmth and safety. Individuals who are currently sick, recently sick, symptomatic, or high-risk/vulnerable to illness should not come to the rink. Siblings of on-ice participants and young children should not be left unsupervised at any time.

## MUSIC POLICY

All music played in the Ice Dens to include but not limited to: ice skating performance songs, during hockey games/practices during intros/stoppages of play, private ice rentals, in locker rooms and public areas must be the edited/clean versions of the song. In addition, music volume should be at a level that is always respectful to fellow community members and Ice Den employees.

The Ice Den currently partners with BMI, ASCAP, SESAC and Global Music Rights as it relates to music licenses. U.S. copyright law requires you to obtain permission from music copyright owners to play their music publicly. All community members are responsible for ensuring they have permission to play selected music in the facilities. If at any time you hear non-compliant music in the facility, please notify a member of the Administration or Operations Teams.

## LIVE BARN

Family & friends can cheer from anywhere in the U.S. using Live Barn! The cutting-edge technology uses a proprietary multi camera tracking system which automatically follows the flow of the game - like a traditional television broadcast. Ice Den community members can save 10% on the small monthly subscription fee by using our community promo code: ICED-ENAZ

Thank you in advance for your cooperation and understanding,  
Ice Den Management

# WALTER "DUFFY" BURNS BOYLES III

01.09.1956 - 02.28.2025

Walter Burns Boyles III, known as "Duffy" to his friends and family, passed away on February 28, 2025, surrounded by his family and countless friends he made during a life filled with love, joy, and giving to the community.

Duffy was a relationship builder. Once he met someone, he left an imprint in their hearts. Many of his family of friends includes those involved in the hockey community. Beyond hockey, he loved adventure; including river rafting, rock climbing, camping, scuba diving, and all outdoor activities.

Duffy was a through-to-the-core hockey player and the life of the Portland Ice Hawks Team.

He will be forever in our hearts.

# KEITH "BEEMER" BEMIS

1964 - 2025

Beemer was truly one of a kind. Known as a kind and generous soul, a fierce competitor, and a strong leader, Keith left a lasting impression with every single person he met.

At 17, Keith was one of 80 players in the nation invited by the U.S. Olympic Committee to attend a pre-selection camp in Colorado Springs that would start the selection process for the 1984 U.S. Olympic team.

His love for the sport of hockey was unparalleled. From time spent on the ice with his friends and teammates to devoting his time coaching and sharing his knowledge & enthusiasm with future generations of players, taking ice will never be the same without him.

# TOURNAMENT RULES

TIME:	We will be on a very tight schedule. Please make sure that everyone is ready to get on the ice at least 5 minutes before your scheduled starting time.
GAME TIME:	<p>Tournament games will be played with 13 minute, stopped-time, periods. If the game is tied after three periods, there will be a 5 minute, sudden death, overtime, provided that time is available. If no one scores in 5 minutes, the game will end in a tie.</p> <p>Playoff and championship games will have at least one full, 13 minute, period of overtime to decide tie games. If the game remains tied after the overtime period, the game will be decided by a 5 player shoot-out.</p> <p>The Tournament Director or a tournament official can decide that a game be played with running-time if the game has surpassed its allotted ice time or if it is a lopsided score. Any game slowed by fights or rough play will be switched to running time.</p> <p>There will be a 4 minute warm-up before each game and 1 minute between periods.</p>
RULES:	<p>The tournament will be played under USA Hockey adult-hockey rules, with the following exceptions:</p> <ol style="list-style-type: none"><li>1. No checking will be allowed. Infraction of this rule will result in a two minute penalty for roughing.</li><li>2. Each team is permitted one 30 second time-out per game.</li><li>3. Slapshots will be allowed at all levels.</li></ol>
UNIFORMS:	Each player must wear a uniform of the same color as the rest of the team, with a unique number permanently attached on the back. Uniforms with different color trim are o.k. Uniforms without numbers, with taped-on numbers, and duplicate numbers will not be allowed. Matching socks are appreciated, but not required.
HELMETS:	Approved hockey helmets are mandatory and must be worn at all times while on the ice. Facemasks are not required, but are highly recommended.
INELIGIBLE PLAYERS:	<p>Any team caught using a player not on their roster, will forfeit any games in which the ineligible player played.</p> <p>Players will have to show identification before their first game. There may also be other spot checks throughout the tournament. All players must have their identification with them at all times.</p> <p>Because of past abuses, this rule will be strictly enforced. Please do not put me in the position of having to ruin your team's weekend by forfeiting their games.</p>
SUSPENSIONS:	The Tournament Directors will review all cases involving major penalties, match penalties, and game misconducts. They have the power to suspend any guilty players in addition to the suspensions already mandated by the USA Hockey rules. Per USA Hockey rules, any player receiving a game misconduct penalty shall be suspended for a minimum of one game.
FIGHTING:	Fighting will not be tolerated in the tournament. Any player assessed a fighting penalty may be suspended from the remainder of the tournament and may not be allowed back to future tournaments.
DISPUTES:	The Tournament Directors will have final word on all disputes during the tournament. Their decision is final.

# TIE-BREAKING PROCEDURES

## POINTS WILL BE AWARDED AS FOLLOWS:

2 points for a win.

1 point for a tie.

0 points for a loss. (regulation or overtime)

If teams are tied in points, the tie will be broken in the following manner:

## DIVISIONS WITH 4 or 5 TEAMS:

If two teams tie, the tie will be broken in the following manner:

1. Head-to-head play between the teams.
2. Total goal differential.
3. Total goals scored.
4. Fewest penalty minutes.
5. Coin flip.

If three teams tie, the tie will be broken in the following manner:

1. Record in games against other teams tied with.
2. Goal differential in games against tied teams.
3. Goal differential in all games.
4. Goals scored in games against tied teams.
5. Goals scored in all games.
6. Fewest penalty minutes.
7. Coin flip.

If one of the tie-breakers separates one team (have advanced to the playoffs, or have been eliminated from contention), but still leaves two other teams tied, those two teams will have the tie broken under the two-team tie-breakers.

## DIVISIONS WITH 6 TEAMS:

1. Head-to-head play between tied teams (applicable only if one team has beaten all the other teams with which it is tied, or one team has lost to all the other teams with which it is tied).
2. Goal differential.
3. Goals scored.
4. Fewest penalty minutes.
5. Coin flip.

In 3-way ties, if one of the tie-breakers separates one team (they have advanced to the playoffs, or have been eliminated from contention), but still leaves two other teams tied, those two teams will have the tie broken by head-to-head play (if they played head-to-head).

---

In determining goal differential, any game won by more than a 6 goal margin, will count only as a 6 goal win.

In determining goals scored, any game in which more than 8 goals are scored, will count only as 8 goals scored.

This will prevent teams from trying to run-up the score on an over-matched opponent.
