Dear Friends,

Welcome to Las Vegas for the 35th Annual Las Vegas Hockey Festival!

We would like to thank everyone at our host arenas; Andrew Stewart from City National Arena in Summerlin, and Wally Lacroix from America First Center in Henderson.

Thank you to all of our game officials and scorekeepers. We would like to recognize our Referee-in-Chief, Michel Voyer, and Scorekeeper Supervisor, Tina Karras, for arranging our on-ice and off-ice officiating crews for the tournament.

Thank you to our Assistant Tournament Director, Ted Cabral, for the countless hours of behind the scenes coordination both leading up to and throughout the entire tournament.

Special thanks to our tournament staff; Tina Karras, Sal Rivela, Krystal Davis, JoJo Bowling, Kris Ybarra, and Kirra Dickinson for working with us to make the tournament run smoothly.

Last but not least, we would like to thank all the team captains for their hard work getting their teams organized, registered, and ready to play in the tournament.

Good luck in the tournament and in the casinos! Have a great time this weekend and we look forward to seeing you again next year.

Have fun,

## TOURNAMENT RULES

- TIME:** We will be on a very tight schedule. Please make sure that everyone is ready to get on the ice at least 5 minutes before your scheduled starting time.
- GAME TIME:** Tournament games will be played with 13 minute, stopped-time, periods. If the game is tied after three periods, there will be a 5 minute, sudden death, overtime, provided that time is available. If no one scores in 5 minutes, the game will end in a tie.
- Playoff and championship games will have at least one full, 13 minute, period of overtime to decide tie games. If the game remains tied after the overtime period, the game will be decided by a 5 player shoot-out.
- The Tournament Director or a tournament official can decide that a game be played with running-time if the game has surpassed its allotted ice time or if it is a lopsided score. Any game slowed by fights or rough play will be switched to running time.
- There will be a 4 minute warm-up before each game and 1 minute between periods.
- RULES:** The tournament will be played under USA Hockey adult-hockey rules, with the following exceptions:
1. No checking will be allowed. Infraction of this rule will result in a two minute penalty for roughing.
  2. Each team is permitted one 30 second time-out per game.
  3. Slapshots will be allowed at all levels.
- UNIFORMS:** Each player must wear a uniform of the same color as the rest of the team, with a unique number permanently attached on the back. Uniforms with different color trim are o.k. Uniforms without numbers, with taped-on numbers, and duplicate numbers will not be allowed. Matching socks are appreciated, but not required.
- HELMETS:** Approved hockey helmets are mandatory and must be worn at all times while on the ice. Facemasks are not required, but are highly recommended.
- INELIGIBLE PLAYERS:** Any team caught using a player not on their roster, will forfeit any games in which the ineligible player played.
- Players will have to show identification before their first game. There may also be other spot checks throughout the tournament. All players must have their identification with them at all times.
- Because of past abuses, this rule will be strictly enforced. Please do not put me in the position of having to ruin your team's weekend by forfeiting their games.
- SUSPENSIONS:** The Tournament Directors will review all cases involving major penalties, match penalties, and game misconducts. They have the power to suspend any guilty players in addition to the suspensions already mandated by the USA Hockey rules. Per USA Hockey rules, any player receiving a game misconduct penalty shall be suspended for a minimum of one game.
- FIGHTING:** Fighting will not be tolerated in the tournament. Any player assessed a fighting penalty may be suspended from the remainder of the tournament and may not be allowed back to future tournaments.
- DISPUTES:** The Tournament Directors will have final word on all disputes during the tournament. Their decision is final.

## TIE-BREAKING PROCEDURES

### POINTS WILL BE AWARDED AS FOLLOWS:

2 points for a win.

1 point for a tie.

0 points for a loss. (regulation or overtime)

If teams are tied in points, the tie will be broken in the following manner:

### DIVISIONS WITH 4 or 5 TEAMS:

If two teams tie, the tie will be broken in the following manner:

1. Head-to-head play between the teams.
2. Total goal differential.
3. Total goals scored.
4. Fewest penalty minutes.
5. Coin flip.

If three teams tie, the tie will be broken in the following manner:

1. Record in games against other teams tied with.
2. Goal differential in games against tied teams.
3. Goal differential in all games.
4. Goals scored in games against tied teams.
5. Goals scored in all games.
6. Fewest penalty minutes.
7. Coin flip.

If one of the tie-breakers separates one team (they have advanced to the playoffs, or have been eliminated from contention), but still leaves two other teams tied, those two teams will have the tie broken under the two-team tie-breakers.

### DIVISIONS WITH 6 TEAMS:

1. Head-to-head play between tied teams (applicable only if one team has beaten all the other teams with which it is tied, or one team has lost to all the other teams with which it is tied).
2. Goal differential.
3. Goals scored.
4. Fewest penalty minutes.
5. Coin flip.

In 3-way ties, if one of the tie-breakers separates one team (they have advanced to the playoffs, or have been eliminated from contention), but still leaves two other teams tied, those two teams will have the tie broken by head-to-head play (if they played head-to-head).

---

In determining goal differential, any game won by more than a 6 goal margin, will count only as a 6 goal win.

In determining goals scored, any game in which more than 8 goals are scored, will count only as 8 goals scored.

This will prevent teams from trying to run-up the score on an over-matched opponent.
